Guidelines for Proper Use

- ▶ Service Pro All Makes • All Models must be accurately diluted with clean water to a 50:50 ratio for proper performance.
- ▶ When used as a top-off fluid, Service Pro All Makes • All Models maintains the performance characteristics of the vehicle's existing antifreeze/coolant.
- ▶ When used in a full system flush and re-fill, Service Pro All Makes • All Models is an extended life up to 5 years / 150,000 miles antifreeze/coolant.
- ▶ Service Pro All Makes • All Models may be used in heavy duty diesel engines but requires an extender* for this application.

* Refer to OEM Recommendations
