

SERVICE PRO[®] PREMIUM FULL SYNTHETIC AUTOMATIC TRANSMISSION FLUID

**Manufactured with highly refined base oils and licensed additive technology
FOR CALIFORNIA ONLY**

DESCRIPTION: SERVICE PRO[®] Premium Full Synthetic Automatic Transmission Fluid represents the latest technology in full synthetic automatic transmission fluids. It is specifically formulated for the newest generation of high efficiency transmissions and is a fuel efficient choice for older models as well.

- PERFORMANCE BENEFITS:**
- Improved oxidation and thermal stability
 - Full synthetic formula
 - Outstanding low temperature performance
 - Superior anti-wear protection
 - Improved torque transfer

SERVICE PRO[®] Premium Full Synthetic Automatic Transmission Fluid is designed for most conventional planetary gear transmission applications and meets JASO M315-2013, Class 1A-LV requirements.

This product is not recommended for Ford Type F, Continuously Variable Transmissions (CVT) or Dual Clutch Transmissions (DCT) which require specialized OEM fluids.

SERVICE PRO[®] Premium Full Synthetic Automatic Transmission Fluid has undergone extensive testing for a broad range of transmissions but is not an OEM licensed product. The respective vehicle manufacturers have not endorsed or evaluated Service Pro Premium Full Synthetic Automatic Transmission Fluid in these applications. If an OEM Licensed product is preferred, contact your local Service Pro Distributor about OEM Licensed Service Pro products.

*Due to continual product research and development, the information contained herein is based on products purchased in the U.S. and subject to change without notification. Typical properties may vary slightly.

This data sheet and the information it contains is believed to be accurate as of the date of printing. However, no warranty or representation, express or implied, is made as to its accuracy or completeness. Data provided is based on standard tests under laboratory conditions and is given as a guide only. Users are advised to ensure that they refer to the latest version of this data sheet. It is the responsibility of the user to evaluate and use products safely, to assess suitability for the intended application and to comply with all applicable laws and regulations. Safety Data Sheets are available for all of our products and should be consulted for appropriate information regarding storage, safe handling, and disposal of the product. No responsibility is taken by either AIOD or its affiliates for any damage or injury resulting from abnormal use of the material, from any failure to adhere to recommendations, or from hazards inherent in the nature of the material. All products, services and information supplied are provided under our standard conditions of sale. You should consult your local AIOD Distributor if you require any further information.
